The People's Choice

WITH New Year's Day right plate 19C 367. luture curve upward

The enswer to such questions lies in the enswer to another one: What will the people choose? The mest important fact

what they have done or accomplished or enjoyed, not what they have at the present moment in power or in possessions. It is not their reputation, their income. The latter is and the present moment in power or in possessions. It is not their income. The latter is an entropy of the latter is an entropy of the latter income. The latter is a latter is a latter in the latter income. The latter is a latter in latter income. The latter is a latter in the latter income and the latter income at latter income and the latter income at latter income and the latter income at can destroy everything. What will the people choose?

Demecracy Means Free Choice THERE are some interesting parallels between the United States, or Canada, today, and Israel of more than three millenniums

It was a little nation, so new it could scarcely be called a nation, so small it could be lost in one of our big cities. But when it was beginning its time in Palestine, it was much nearer a true democracy than it was in the more famous and glamorous times of David and

There was at first no hereditary monarchy, the people had ne precedents to jo by, they had to pick their way through an uncertain world, much as In Joshua's time there had been a military government; first Moses | get a glimpse of the next "queen candidate" are J. D. Lowery and Curtis Smith. Toastmaster E. and then Joshua had done most of W. Akins is shown introducing "the girl." This competition was the high part of the show, as the thinking for the people. But men dressed as women staged a beauty contest to end all such affairs. The long and short, fat when he grew old, Joshua knew that in the future the people would and skinny, and ugly and attractive put on a show that will be long remembered by Dorsey. the people do think, it is democ. Scott, J. D. Lowery, Curtis Smith, Paul Kendrick, Ed Hudson, E. W. Akins and Edgar Vaughan. racy; when they think only what they are told to think, it is a police state. Now Joshua knew that the main choice before the people was

the people choose? Democracy Means Free Choice THERE are some interesting parallels between the United States, or Canada, today, and Israel of more than three millenniums

It was a little nation, so new it could scarcely be called a nation, so small it could be lost in one of our big cities. But when it was beginning its time in Palestine, it was much nearer a true democracy than it was in the more famous and glamorous times of David and

There was at first no hered! tary monarchy, the people had had to pick their way through an uncertain world, much as we do only on a smaller scale. a military government; first Moses | get a glimpse of the next "queen candidate" are J. D. Lowery and Curtis Smith. Toastmaster E. and then Joshua had done most of W. Akins is shown introducing "the girl." This competition was the high part of the show, as the thinking for the people. But men dressed as women staged a beauty contest to end all such affairs. The long and short, fat when he grew old, Joshua knew that in the future the people would have to think for themselves. When the people do think, it is democ. Scott, J. D. Lowery, Curtis Smith, Paul Kendrick, Ed Hudson, E. W. Akins and Edgar Vaughan. racy; when they think only what they are told to think, it is a police state. Now Joshua knew that the main choice before the people was asically religious. As he put it:

A High Way and a Low THE choice was not mere the God of the Law, the Go pure strong living. The gods of Canaanites were pictured as gold

calves, brass he-goats There is a world of difference between a man, or a nation whose highest thoughts canno rise above the level of the anior nation whose highest thought justice and mercy of the Got If any one has a sneaking fee ression on history such as no

THE Living God still challeng us, a free people. The words oshua might still be spoken in this Oth century: Choose this day who some fall down and worship Mam-

dets from West Point for chest ing (who set them the example?), the revelations of the Kedivorce courts and race tracks, he ravages of liquor and drugs even on young boys and girls, the general foggy confusion are-faced lie in public life-all must cause a thoughtful person te ask: What kind of choices is
